Master in Cognitive Science

2023/2024

2nd Phase of Applications

The Master Program in Cognitive Science of the University of Lisbon has as its primary goal the training of a new generation of experts who can combine its various disciplines into an integrated science of cognition, mind and brain, as well as explore the application of the knowledge generated in this domain. To fulfil this goal, the program counts on the contribution of professors and researchers from Neuroscience (Faculty of Medicine), Cognitive Psychology (Faculty of Psychology), Computer Science (Faculty of Sciences), Linguistics (Faculty of Letters), and Philosophy of Mind and Cognition (Faculty of Letters).

1. Number of vacancies

At least 4 vacancy (definitive number to be determined upon knowing the number of vacancies left from 1st phase of applications)

2. Admission requirements:

Admissible candidates are:

- a) Candidates holding a Portuguese bachelor degree or equivalent.
- b) Candidates holding a foreign bachelor degree granted by a State adhering to the Bologna equivalence principles.
- c) Candidates holding a foreign bachelor degree that the Scientific Committee of the program will consider as satisfying the goals of a bachelor degree.

3. Admission procedure

3.1. For foreign candidates, the application must be submitted online at the applications platform of the Faculty of Sciences

<https://ciencias.ulisboa.pt/en/applications-master-postgraduate-courses>

3.2. The application must include the following items:

- a) Documents certifying that the applicant meets the admission requirements mentioned above;
- b) *Curriculum vitae*, which, under penalty of exclusion in case this requirement is not met, must explicitly indicate the final average of the

scores, as well as the respective scale, of the candidate's higher education course(s);

- c) Copy of the documents referred in the *Curriculum vitae*;
- d) Statement of research, specifying a research domain and the general intended attainable goals, integrating more than one of the disciplines contributing to Cognitive Science;
- e) Copy of citizen id card or passport;
- f) Receipt of application fee payment;

4. Selection Criteria

4.1. The applicants are selected through the analysis of the elements mentioned in 3.2. above.

4.2. The Scientific Committee of the Program, or those appointed by them, may interview the applicants.

4.3. The applicants are chosen according to the score obtained in the selection process.

5. Deadlines

5.1. 2nd phase of applications: from August 28 to September 1, 2023

5.2. Schedule for eventual interviews: September 4, 2023

5.3. Interviews (if they will be scheduled) until: September 5, 2023

5.4. Publications of results until: September 6, 2023

5.5. Period of appeal until: September 7, 2023

5.6. Publication of final results until: September 8, 2023

5.7. Estimated beginning of classes: September 11, 2023

6. Fees

6.1. The application fee will be announced at <https://ciencias.ulisboa.pt/en/tuition-fees-and-related-fees>. Indicatively, for foreign candidates, last year 2022/2023, each applicant had to pay an application fee of 40 euros (non-refundable).

6.2. The annual fee will be announced at <https://ciencias.ulisboa.pt/en/tuition->

[fees-and-related-fees](#) As a mere indication, the amount of the annual fee for 2022/2023 was 1,200.00 euros. The Management Council of FCUL did not fix yet the possible number of instalments for 2023/2024 — indicatively, we inform that in past year this amount could be fully paid on enrollment time or gradually paid in ten instalments along the academic year (the first of which at enrollment time).

6.3. The fee is paid via ATM references provided by the academic portal of the Faculty of Sciences or at the Serviços Financeiros of the Faculty of Sciences (Alameda da Universidade, 1600-548 Lisboa) during office hours.
